DATE:

SUBJECT: Draft Site Investigation Report, South Clear Zone (Site SS-034), Plattsburgh Air Force Base (PAFB) Superfund Site

FROM: Robert J. Wing, Chief  
Federal Facilities Section

TO: See Below

We are sending to you one (1) copy of the above referenced document for your review. \* Two (2) copies are being sent to D. Santella's group (1 for Human Health Risk and 1 for Hydrogeology review). In order to meet the requirements of the Federal Facilities Agreement, we are asking that your comments be returned by August 15, 1995.

Please have your staff charge review time to the PAFB Base Closure Account, # 95 5R 02\* RP9 02Z10 (the appropriate division code should replace the asterisk). Also, please have all comments forwarded via LAN to BMORSE.

Additional documents related to the site are available in our office if you need them. If you think you may have trouble making this deadline or have any other questions, please contact Bob Morse at x4331.
